As a family-owned manufacturer and supplier of building materials for over 70 years, Reading Rock is excited to offer you a preview of our product solutions for your projects.

With a focused Purpose: To help support and finance the initiatives of RettSyndrome.org; and, grounded by our ROCKS Core Values, it is more than just our products; it is our people that differentiate Reading Rock from other suppliers.

From the plant floor to the job site, you and the products and services you have selected for your project are our top priority. Our dedication to service stems from our passion to provide the right products and services on time, everytime! At Reading Rock, we strive to exceed your expectations with our “yes we can” attitude – that’s when you’ll experience the Reading Rock difference.

We invite you to partner with us for your outdoor living solutions and look forward to helping you make your next project a success!

~ Gordy Rich, President

READING ROCK’S PURPOSE

Our purpose is to help support and finance the initiatives of Rettsyndrome.org. From providing office space and over two million dollars in funding, every one of our customers and every associate is contributing to help those who can’t help themselves.

Rettsyndrome.org’s mission is to fund research for treatments and a cure for Rett syndrome while enhancing the overall quality of life for those living with Rett syndrome by providing information, programs and services.

For more information on Rett syndrome and the devastating impact it has on families, please visit Rettsyndrome.org.

The Jamestown paver can be used as an accent with any Americana Collection paver. Sold by the each.

ACCESSORIES // PAVING & WALL SYSTEMS

At Reading Rock, we offer a variety of accessory items to help complete your project. From polymeric sand to geogrid reinforcement you can rest assured we have the best accessories to support your project.

**AB GEOGRID**
Perfect for most residential walls under 6’ in height, this is a bi-axial geogrid that can be laid parallel to the wall face.

**ALLIANCE POLYMERIC SANDS**
Polymeric sands help stabilize and protect the joints of your paver projects. 50 lbs. and 35 lbs. bags available, depending on sand type.

**STRATA GEOGRIDS**
Strata, an industry leader in geotextile products, makes geogrids to help you build walls with a limitless height.

**SEK PAVER JOINT SAND**
For those jobs not utilizing polymeric sand, this is a specific gradation to help stabilize the joint of your pavers. 50 lbs. bags available.

**PAVE EDGE AND SNAP EDGE**
To help secure the edges of your paver project.

**SUREBOND SEALERS**
For protection and/or to enhance your paver surfaces.

**WALL DRAIN PRO®**
Easily vent the drain pipes from behind your retaining wall.

**SLEEVE-IT®**
For installing fence and/or railing posts behind your retaining wall.

**UNIQUE LIGHTING**
Bring your project to life at night with industry leading lighting.
SITE EXPERTS

With over 70 years of manufacturing experience, we understand the uniqueness of every site. Our custom site solutions allow you to create the exact look and feel you envision. From custom pavers, steps, copings, bollards and various site furnishings, Reading Rock is here to provide the perfect products for every application.
