TWILIGHT MODERN OUTDOOR/OUTDOOR GAS FIREPLACE

The Twilight Modern is an evolution of the industry’s first indoor/outdoor see-through fireplace. This Direct Vent gas unit offers impressive fireside views whether relaxing inside or enjoying the outdoors. Bolster your favorite room and upgrade your outdoor living space—let the Twilight deliver modern style, inside and out.

- Unique indoor/outdoor viewing for increased fireside views
- Artistic flames rise through a crushed glass firebed for eye-catching details
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- IntelliFire™ Ignition System with wall switch constantly monitors ignition, ensures safe functioning
- 36” viewing area

Optional features

- Multiple combinations of interior fronts and finishes complement your décor
